

To the Members of the California State Senate:

I am returning Senate Bill 1214 without my signature.

I vetoed a substantively similar bill two years ago on this issue, and I have consistently vetoed legislation that has attempted to mandate specific details or events into areas of instruction. The State Board of Education adopted content standards are developed by a diverse group of experts and are intentionally broad in order to allow coverage of various events, developments, and issues. I continue to believe that the State should establish rigorous academic standards and frameworks, but refrain from being overly prescriptive in specific school curriculum.

For this reason, I am unable to sign this bill.

Sincerely,

Arnold Schwarzenegger
